Dear “Head of Sports”

### Save time and raise standards in PE and child health

Sportplan4schools is a ‘must have’ for your school. It's an amazing interactive resource only available online. Specially designed to make teaching sport simpler and more enjoyable - for teachers and students - it's already being used in 1000s of schools across the UK.

Subscribing to Sportplan4schools will give you a multitude of fresh, easy to understand ideas and tools for lesson planning. And help you take sports' teaching to a new level.

### PLUS NEW THIS YEAR - special access for GCSE and A level students

By opting for our shared student licence you can allow whole classes of students to log in simultaneously for group learning; as well as provide their own personal workspace during lessons or for homework.

### It works!

Our website [www.sportplan4schools.com](http://www.sportplan4schools.com) makes it easy to find what you need and then use it!

You'll find a huge variety of high quality training drills and coaching practises. Once you start using them you should quickly notice improvements in motivation, enjoyment and achievement.

### Comprehensive range of materials

Because we are an online resource, we constantly refresh our content to bring you the very latest in modern techniques. Since launching in 2000, we've added new sports, new materials and new features and now include:

- 6,000 animated drills and exercises for 12 different sports
- Video clips of techniques for easy skill analysis
- Interactive resources library
- Expert technical journals
- Ready made lessons
- Free updates, newsletters and rule change alerts.

### Quick, flexible and easy to use

Because Sportplan4schools is an online resource you can use it wherever you have access to the Internet.

Each sports teacher (or student) can use our resource in a way that suits them, including accessing and storing their favourite materials.

For example, teachers can:

- Design and create lesson plans, or adapt our 'off the shelf' options
- Customise our materials or upload their own
- Plan lessons for the whole year
- Ask questions of our experts - it's like having a personal mentor for every sport
- Demonstrate skills on interactive white boards
- Create, store and share materials with fellow teachers or students.

With literally 1000s of ideas on tap you will never be short of fresh content to help your lessons go with a swing. Sportplan4schools not only saves you time and effort (no need to spend hours researching new material) it should also pay dividends in terms of results.

### Subscribe today - the no risk way to give your school the best sporting chance

The great thing about Sportplan4schools is that every teacher - whatever their ability, experience or specialism - can use our resources in their own way.

Whether you want to find 'off the shelf' solutions, inspiration, information or help with designing your own materials you will find Sportplan4schools has the answers and all tools for the job.

To be using our resource within days - just fill in the subscription form below and return it us. If you change your mind you can get a full refund within 14 days.

### Keep ahead of the game with our expert content

We work with top coaches, sporting experts, educators and national sporting bodies to develop our content and new Key Stage materials. So you can rely on our resources to contain proven methods as well as the latest thinking.

SOME OF OUR SPORTING PARTNERS

"It is ideal for schoolteachers. When you have spent all morning teaching, it's great to be able to go to Sportplan and quickly get some ideas for the afternoon's coaching sessions."
